

MyReverseAccount Multifactor Authentication (MFA)

<p>Each time you log on to MyReverseAccount.com, you will be asked to enter a verification code. The default setting is to send this code to your email address.</p>	
<p>If you prefer, you can also get the verification code by text message. Just log in to your account at www.MyReverseAccount.com and click My Profile.</p>	
<p>Then, click Two-Factor Settings.</p>	
<p>Use the Two-Factor Enabled: dropdown menu to choose Email or SMS (Text Message). Your current email address and cell phone number will display here.</p>	
<p>If you need to update your email address or cell phone number, click the Email Settings or Phone Settings tab under My Profile. You will also need to enter a verification code for these updates.</p>
